Ambitious in scope—Paleolithic images to post-modern techniques

The Handy Art History Answer Book

Madelynn Dickerson

The major art pieces, most important artists, and significant artistic movements from 35,000 BCE to today are collected together in this easy to read resource on art history. Continuing in the tradition of the standout *Hand Answer Book*® reference series, this book not only covers the development of Western art, but also the history of art across the globe. An overview of art—its history, techniques, materials, forms, colors, style, the nature of artistic expression, and how to look at art—is followed by examinations of the main periods and movements of art history. The book both explains and shows important elements, influences, artists, and masterworks of era and the world events and cultures that influenced and changed them through nearly 150 color images of indispensable masterworks. This accessible and entertaining resource for readers with a casual interest in art history as well as industry professionals also includes a glossary of terms to demystify jargon and explain theory.

Madelynn Dickerson is an art writer and a former teacher of art history at the American Academy of Art in Chicago. She received a master of fine arts degree for art history from the University of Edinburgh. She lives in Los Angeles.

The definitive horror film omnibus

The Horror Show Guide

The Ultimate Frightfest of Movies

Mike Mayo

"A must-have for horror film junkies." — *Entertainment Weekly* on previous edition

"One of the 20 best horror guides of all time." — *HorrorHound* magazine on previous edition

From atomic bombs to zealous zombies, this cinefile's guidebook reviews 1,000 of the wickedest, weirdest, and wackiest scary movies from every age of horror. With reviews on many overlooked, underappreciated gems such as *Alice Sweet Alice*, *Daughters of Darkness*, and *Zombie*, as well as the numerous Stephen King adaptations and modern updates such as *Night of the Living Dead 3D* and *The Wolfman*, new devotees as well as the discriminating dark-cinema enthusiast will love this big, beautiful, end-all, be-all guide to an always popular film genre. Established directors, including Wes Craven, John Carpenter, Tim Burton, David Cronenberg, and Guillermo del Toro are given their due, as are the new generation, represented by Larry Fessenden, James Wan, Alexandre Aja, and others. In addition to the hundreds of horror film reviews, this guide includes fascinating and fun top-10 lists and sidebars that are designed to lead fans to similar titles they might not have known about.

Mike Mayo is a former host of the nationally syndicated radio programs *Max and Mike on the Movies* and *Movie Show on Radio*. He has written for the *Roanoke Times* and the *Washington Post* and is the author of *VideoHound's DVD Guide*, *VideoHound's Video Premieres*, and *VideoHounds War Movies*. He is a member of the Broadcast Film Critics Association and the Mystery Writers of America. He lives in Chatham, New Jersey.

Find the perfect way to make a point effectively, efficiently, and with flair

Similes Dictionary

Elyse Sommer

Packed with more than 16,000 imaginative, colorful phrases—from "abandoned as a used Kleenex" to "quiet as an eel swimming in oil"—this reference will help any politician, writer, or lover of language find the perfect simile, be it original or banal, verbose or succinct. Citing more than 2,000 sources—from the Bible, Socrates, Shakespeare, Mark Twain, and H. L. Mencken to popular movies, music, and television shows—the Simile Dictionary covers hundreds of subjects broken into thematic categories that include topics such as virtue, anger, age, ambition, importance, and youth, helping readers find the fitting phrase quickly and easily. Perfect for setting the atmosphere, making a point, and or helping spin a tale with economy, intelligence, and ingenuity, the similes found in this collection, where pithy and poetic sayings are "as plentiful as blackberries" (Shakespeare) and quotes are "as useful as a Swiss army knife" (anonymous), will inspire anyone.

Elyse Sommer is the author or editor of numerous titles, including *Discovering Literature*, *The Kids' World Almanac of Music*, *Metaphors Dictionary*, and *Strategies for Reading and Arguing About Literature*. She is the editor, publisher, and chief critic of the online theater magazine *Curtainup.com*. She lives in Forest Hills, New York.

A complete dossier on alien activities and government cover-ups — from ancient astronauts to the recent UFO crash in Needles, California

Alien Mysteries, Conspiracies and Cover-Ups

Kevin D. Randle

Thoroughly investigated by a former Army officer and taken from his review of hundreds of historical and government documents and in-person interviews, this book chronicles more than 100 sightings, events, and discoveries of alien encounters, government conspiracy, and the influence of extraterrestrials on human events throughout history. From prehistoric UFO sightings, cave paintings, and ancient astronauts to modern sightings around the world, this book investigates claims of aliens living among us, abductions of humans to alien spacecraft, and accounts of interstellar cooperation since the UFO crash in Roswell, along with evidence of what the government knows and what it has covered up. This discussion of the government secrets, theories, and mysteries surrounding aliens is packed with thought-provoking stories and shocking revelations of alien involvement in the lives of Earthlings.

Kevin D. Randle is a retired lieutenant colonel in the Army who toured in Iraq. He has master's degrees in psychology and the art of military science and is the author of *Crash: When UFOs Fall from the Sky*, *Reflections of a UFO Investigator*, and *UFO Casebook*. He lives in Cedar Rapids, Iowa.
