***Celebrate the vital roles and vibrant experiences of Latinos in America!***

## **Latino Almanac**

**From Early Explorers to Corporate Leaders**

**Nicolás Kanellos, Ph.D.**

The most complete and affordable single-volume reference on Hispanic history available today, this almanac is a unique and valuable resource devoted to illustrating the moving and often forgotten history of Latinos in America. It provides insights on the long-ignored influence, inspiration, and impact of Hispanics on U.S. society and culture. It is a fascinating mix of biographies, little-known or misunderstood historical facts, enlightening essays on significant legislation and movements, and numerous photographs and illustrations. Often underappreciated but deserving Latinos in business, labor, politics, the military, music, sports, law, media, religion, art, literature, theater, film, science, technology, and medicine are profiled. In all, this fascinating almanac includes the lasting legacies

of more than 650 illustrious figures and less-known stars.

**Nicolás Kanellos, Ph.D.**, is the Brown Foundation Professor of Hispanic Studies and director of Recovering the U.S. Hispanic Heritage of the United States, the premier center for research on Latino documentary history in the United States. He is founding publisher of the noted Hispanic literary journal *The Americas Review*. Dr. Kanellos has authored or contributed to numerous books on Hispanic history, culture, and literature, including *Hispanic Literature of the United States: A Comprehensive Reference*, the *Hispanic-American Almanac*, and the *Handbook of Hispanic Cultures in the United States*. His books have won numerous awards, including the ALA's Best Reference Work and selection by Choice to the top 50 outstanding academic books. He resides in Houston, Texas.

## Indigenous Firsts

**A History of Native American Achievement and Events**

**Yvonne Wakim Dennis, Arlene Hirschfelder and Paulette F. Molin**

Native American Medal of Honor recipients, Heisman Trophy winners, U.S. Olympians, a U.S. vice president, Congressional representatives, NASA astronauts, Pulitzer Prize recipients, U.S. poet laureates, Oscar winners, and more. The first Native magician, an all-Native comedy show, architects, attorneys, bloggers, chefs, cartoonists, psychologists, religious leaders, filmmakers, educators, physicians, code talkers, and inventors. Luminaries like Jim Thorpe, King Kamehameha, Debra Haaland, and Will Rogers, along with less familiar notables such as Native Hawaiian language professor and radio host Larry Lindsey Kimura and Cree/Mohawk forensic pathologist Dr. Kona Williams. This important tome presents their stories plus the stories of more than 900 other people, places, and important accomplishments.

**Yvonne Wakim Dennis** (Cherokee/Sand Hill/Syrian) authored *Native American Almanac* and *Native American Landmarks and Festivals*, both with Arlene Hirschfelder. She currently serves as the Education Director for the Children's Cultural Center of Native America and is a columnist for *Native Hoop Magazine*. She resides in New York City.

**Arlene Hirschfelder** was the author or editor of over twenty-five books about Native peoples, including *The Extraordinary Book of Native American Lists*. She worked at the Association on American Indian Affairs (a civil rights organization) for over 20 years. Her family in Teaneck, New Jersey, miss her greatly.

**Paulette F. Molin**, a citizen of the Minnesota Chippewa Tribe from White Earth, is an award-winning author and curator. Her writings include *The Encyclopedia of Native American Religions* and *The Extraordinary Book of Native American Lists*, both coauthored with Arlene Hirschfelder. She lives in Hampton, Virginia, where she has served as an educator and completed writings and curatorial work on boarding school history.

**Unravel, understand and end nightmares!**

## Nightmares Your Guide to Interpreting Your Darkest Dreams

**J. M. DeBord**

You're chased. You fall. You're late for a meeting. You're naked in the meeting. Your teeth fall out. A loved one betrays you. You're attacked. You get shot. You're paralyzed. You die!! You wake up in a cold sweat, wondering what it meant. Going beyond simple explanations, this enlightening book helps you understand why you have nightmares and what they mean. It looks at the meaning of common symbols and themes, and it explores the reasons for nightmares. It will teach you not only how to interpret the content of nightmares but also why you have them in the first place and how to stop them.

**J. M. DeBord**, the most trusted name in dream interpretation, is a best-selling author of several popular books about dreams, including Visible Ink Press' *The Dream Interpretation Dictionary: Symbols, Signs and Meanings*. He has appeared as a featured dream expert and dream interpreter on numerous media

programs, including *Coast to Coast AM*, *Darkness Radio*, and *The Moore Show*. He lives in Tucson, Arizona.

**A handy resource on the fundamental facts about engineering for everyone!**

## The Handy Engineering Answer Book

**DeLean Tolbert Smith, Ph.D.; Aishwary Pawar; Nicole P. Pitterson, Ph.D.; and Debra Butler, Ph.D.**

Engineering impacts every aspect of our lives. It is truly fundamental to modern life and society. Bridges, buildings, buses, electrical grids, computers, televisions, refrigerators, vacuum cleaners, and virtually any everyday household item needs to be engineered to function properly. Throughout history, engineering ideas and innovative feats have provided solutions to many challenges faced by civilizations. From the Great Wall of China to NASA's space program, this fascinating and informative primer covers the history of the field, details the lives of key figures, introduces the tools engineers use to solve problems, and provides fun facts and answers to 900 important and interesting questions, such as: *What is the difference between science and engineering? What are some famous engineering mistakes or failures? What is a prototype? What is a powertrain? What is stress and strain? What is debugging? Was Leonardo da Vinci an aerospace engineer? And many more!*

**DeLean Tolbert Smith, Ph.D.**, is an Assistant Professor in the Industrial and Manufacturing Systems Engineering department at the University of Michigan-Dearborn. She earned her Ph.D. in Engineering Education from Purdue University, and her research led to a National Science Foundation CAREER award.
